JP 8-340338 and JP 9-027814 were cited during prosecution of a Japanese patent application corresponding to the above U.S. application. A copy of the Japanese Office Action, which is dated September 8, 2006, was enclosed in the November 20, 2006 IDS.

In view of this date, it is hereby certified under 37 C.F.R. § 1.97(e) that each document in this Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.
